Moving Up Day Reception Taster Morning

On the 4th July 2019 all children across the school will have a Taster Morning in their classes for the next academic year, for some children this will mean a new classroom and for all it introduces them to their new classmates.

We also welcome our new Reception children for September 2019 and we very much look forward to meeting them.

Last day of the school year arrangements

A reminder for you of the arrangements for the last day of term on the 19th July.

We have a church service at St Dunstan's at 11 am. Children need to be collected please from school to be taken to church at 10.30 am. If you are unable to transport your children yourself, please can you make arrangements but if you are really stuck, please speak to a member of staff as soon as possible. Year 6 children will run the service and so the front pews must be kept clear for them and teaching staff please.

The service will finish at approximately 12 pm when the children will need to be returned to school. The whole school then has a picnic on the field and you welcome to join us with your family. No child will be left on their own so do please let us know if you cannot attend and we will be happy to ensure that everyone has someone to sit with. There are no school dinners on this day, everyone will need a packed lunch.

At approximately 1.15pm we will hold a special leaving assembly for our Year 6 children. Space is very limited, as you can imagine, so please can we ask that priority is given to Year 6 families first. After the Leavers Assembly, you are free to take your child home for the holidays!
